A PHILOSOPHER.

"Bout the same as usual
World keeps goin' on;
A lot of time fur toolin'
An's little time fur song.
Snowstorms in the winter
An' roses in the May;
Bout the same as usual,
I'm kind o' glad to say,
Jes' enough o' trouble
As the days go by;
To keep up our ambitions
For a mansion in the sky;
If life were any sweeter
I'm afraid we would forget
That the blessings of the future
Are something better yet.

THE Commercial Tribune says of the members of the Anthracite Strike Commission two,

Bishop SPALDING and EDGAR E. CLARK, the latter the representative of labor Unions on the Commission, have gone upon the lecturing platform since the conclusion of the testimony and arguments before them, and each has given sound advice to capital and labor. Bishop SPALDING confined his theme mainly to capital and Mr. CLARK to labor, and in what he said upon that branch of the controversy he has shown himself not only a close and clear observer, but a gentleman with no slight pretensions to the claim of orator—as an orator should be.

His words on lawlessness, unhappily too often resorted to, ought to be read in the assembly room of every Union labor organization in the country. While in each one of them the friends of law and of order are in the large majority, there is, nevertheless, men who are professional disturbers and agitators. Mr. CLARK put the whole case most forcibly when he said that "if organized labor cannot

work out its salvation without resort to unlawful acts, its existence cannot be defended." And he urged, in the very strongest manner, the weeding out from labor organizations of the men who are impatient of restraint of law, and who would seek to accomplish their own aims and ends at the expense of their organizations if necessary.

While Mr. CLARK did not so state, it is evident from what he did say that whatever of criticism or of condemnation will be meted out to the United Mineworkers' organization by the Commission will be solely because of the many and the undoubted acts of violence committed by the miners during the recent strike, and it will not avail the organization that the acts committed were by a turbulent lot of men from turbulent races of Europe, not understanding the wide distinction between liberty and license, having neither the one nor the other in their native countries. The address of Mr. CLARK cannot fail to be of great benefit, and to none could it be of greater than to the arbitrary coal magnates themselves, if they would but read and profit by it.

MR. BRYAN's "apparent prosperity" is still prospering. Ten thousand New York cloak-makers have just received an advance of from 20 to 40 per cent. in wages.

Dr. A. W. CHASE NERVE PILLS

A NERVE TONIC NEVER EQUALLED
THIS SHAPED BOX—NO OTHER
Mrs. William Spencer of No. 106 Granger street,
Syracuse, N. Y., says:
"I was always nervous, but of late years I could

not sleep, was intensely nervous, ringing sounds in the ears and sharp noises in my head at night. My strength was away down and I was very dizzy and had spells of fainting. I was passing out of life. This condition certainly needed attention. Dr. A. W. Chase's Nerve Pills were called to my attention and I right away took them. They were wonderful. The noise became quiet, the noise and ringing in the head, together with the dizzy spells, disappeared completely. I began to sleep well again. The general strength came back and as a result I feel very well every way again. I am only too pleased to be able to say this."

Mrs. Randolph Knutti of No. 59 Penn street, Salem, O., says:
"Day times I was always nervous; children's noises and little things upset and worried me. As a consequence I felt depressed and debilitated. I was not strong. At night I was unable to sleep at all, and they acted finely. They made my nerves steady and strong and gave a splendid feeling. I am perfectly well now and don't worry or bother now about small things any more. I am very grateful for the change. As a nerve and general tonic I consider the medicine has no equal."

BEWARE OF IMITATIONS—Signature and portrait of Dr. A. W. Chase on each box of the genuine. For sale by dealers, 50c a box, or Dr. A. W. Chase Medicine Co., 257 Washington street, Buffalo, N. Y.

OUR PRICE \$19.90.

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chilling process that has made the Oliver Plows so famous. Every genuine Oliver Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

The Paris office of the Prensa has received a telegram from Buenos Ayres saying that N. He is returning to France to report on his work.

In a collision yesterday on the Big Four near Berea, O., four Railway Mail Clerks were roared to death, and five railway attaches were more or less seriously hurt.

LESSON IN AMERICAN HISTORY IN PUZZLE

THE WOUNDING OF CAPT. JAMES LAWRENCE.
Find Capt. Broke.

Capt. James Lawrence commanded the American frigate Chesapeake. On June 1, 1813, he was challenged to a fight by the commander of the English frigate Shannon, Capt. Broke. Though then in the harbor undergoing repairs, and with a half mutinous and partially intoxicated crew, he accepted the challenge at once. During the battle which followed he was mortally wounded, and as he was being carried below he uttered the historic words: "Don't give up the ship." His ship was captured, and the brave commander died and was buried at Halifax on June 6.

"D. D.," the astonishingly effective new

Skin disease prescription

Eczema, Salt Rheum, Barbers' Itch, Erysipelas—all eruptions, scaly diseases and parasitic affections of the skin positively cleared away in a hurry. A clean, pleasant liquid (non-greasy) externally applied—sponged or sopped over the parts. Instantly stops all irritation. Soon clears out absolutely all affected conditions.

(Here is a case cleared away with two bottles.)

(Case of daughter of Mr. Mose Hartman, permanently cured of a bad skin disease after two bottles only of this D. D. prescription.)

We vouch for these facts.

They have been proven to us beyond the possibility of doubt.

J. JAS. WOOD & SON, Corner Second and Market Streets, MAYSVILLE, KY.

Some weeks ago the astonishing record of this prescription—proven to us by indisputable evidence—induced us to give it our unqualified recommendation to the public. Since then D. D. has cured so many who obtained it from us that its record with us has been fully equal to its previous history. We have not seen a single instance of disappointment. It seems to do the work every time. In nine cases out of ten manifestations on the skin are gone—no trace of disease. Many purchasers formerly miserable, thinking they had a bad blood disease, have found it was merely a skin affection and have cleared it all away with this prescription.

Among all the known reliable specific medical influences for different ailments we know of very few discoveries so certain in effect as this D. D. prescription in its quick conquest of skin diseases of all kinds.

A FEW CURES OF WELL-KNOWN PARTIES.

Chicago, April 17, 1902. "About six months ago my daughter began getting sores all over her body and was gradually getting worse. Nothing seemed to do her any good, although we tried many remedies. She would scratch continually and was a sight to look at. I was asked to try a bottle of your D. D. remedy. I did so and she was cured in a few days. The contents of the first bottle were consumed I am glad to say your remedy had proved entirely satisfactory.

I take great pleasure in recommending it to all and everyone suffering from any disease of the skin."

—DR. J. W. BAGGOT. (A well-known Chicago physician.)

"The D. D. remedy cured me of Lichen Ruber in two weeks. I had bathed and treated at Hot Springs, Ark, for six weeks. The hot waters irritated me and made me worse. My body was covered with eruption from head to foot."

—GEORGE GIBERT, No. 250 Third St., Chicago.

"I got some kind of a skin disease in a barber shop and it got so bad I could not stand it. I got a bottle of your D. D. D. remedy and I must say it cleaned me right up. I have also cured a friend of mine with it or three cases on his face."

—W. J. FOOTNER, St. Paul, Minn.

Vice-President and General Manager of Northern Express Co.

"That wonderful discovery, the D. D. D. remedy, cured me of a bad case of Eczema of long standing which the physicians could not cure. I cheerfully recommend it to all persons suffering from any kind of skin disease."

—C. R. WOODWARD, (Dr. Frank W. Koller, Cairo, Ill.)

The preparation is being used by most of the skin specialists. It is compounded for druggists solely by the D. D. D. Company, 70 Dearborn Street, Chicago.

It is utilized by every general family physician who has taken the trouble to investigate the work it is accomplishing.

It is used in the Cook County Hospital, Chicago.

MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI

is a thoroughly

scientific and modern remedy, meeting

the needs of the modern woman in the modern way

—without the torture of an

operation. Wine of Cardui

has cured them in the pri-

vacy of their homes and it

has found a place in the

hearts of American women

that no other medicine has found.

In their gratitude over 10,000 American

women have written letters commanding

Wine of Cardui. Wine of Cardui

meets their wants as no other medicine

does. It sustains the young girl at the

shock of her entrance to womanhood.

Women who take Wine of Cardui have

little discomfort during pregnancy and

little pain at childbirth. When the

change of life appears they enter a

happy, healthy old age. Every month it

comes to the rescue to assist Nature in

throwing the impurities from the body.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

highest praise on Wine of Cardui:

"Among the numerous

medicines placed before suf-

fering women for their relief

none can touch McElree's

Wine of Cardui. It towers

above them all as a reliable

female remedy. It simply

drives pain and disease away

and restores health in an incredibly short

period, I have taken great interest in this

medicine for the past two years, since it

brought health and strength to me. I

have also recommended it to a number

of my friends and they who have used it

speak of it in the highest terms and I feel

that it is praise well bestowed."

If you are suffering from female

weakness Wine of Cardui is the medi-

cine you need.

You can have health the same as

Miss Finley if you will take the Wine

of Cardui treatment. If you need ad-

vice further than the complete direc-

tions given on the bottle, address The

Ladies' Advisory Department, Chat-

anooga Med. Co., Chattanooga, Tenn.
